**Rising Leaders Purpose Document** – Reviewed a working document to guide elders in the process and provide consistency. This is a subset of a larger program for leadership development with adult ministries that needs to be formalized and include opportunities for men and women.

**Senior Pastor Report**

- Mission house/office transition will take place after Christmas.
  
- Singapore Summit: October 16-22, 2019: Spiritual investment in our missionaries along with strategic planning for reaching that area of world
  
- In order to create some margin for Joel and avoid overload with his additional building project responsibilities, Joel will be taken off the preaching schedule for the next 12 months and Tony will fill-in as the direct supervisor for children/youth ministries for the next 18 months
  
- Warwick Tragedy: Tony shared evidence of how God was not surprised by this event and is working out His plan in the midst of the tragedy. Pastors have been shown favor to be present in the schools. Students have stepped up and led prayer events. God is at work and lives are being changed.

Respectfully submitted, Ann Unruh, Executive Administrator
