1. Is effective prayer about quantity (how many are praying), quality (how long we pray, hard we pray) or both? What other key qualities of effective prayer does Jesus model for us (John 17)? What other scriptures pop-up in your mind as you think about this topic?
2. How can we begin to develop some key qualities now missing from our prayer lives (e.g. aligning our heart to God's heart)? How can we better partner with each other in prayer using our Life Groups?
3. Most folks in our *Oikos* will welcome prayer. How can we be more creative about using the power of prayer with our *Oikos*, especially with those who are not yet Christ followers?
