## **GOD AND MAN REVEALED | June 5, 2022**

### **SERMON RECAP | Romans 1:18-23**

God is holy, and we are not. Through the law and creation, we see God's character revealed. The law holds us all to account. But the life-changing work of Christ clears us from the punishment we deserve as law breakers!

### **THE LEAD IN**

- Are you aware of any weird laws that any US states or cities still have? Feel free to google some and share a few of the more bizarre ones with each other.

### **GETTING INTO THE TEXT**

- Read Romans 1:18-23. What does this passage say about God and his character? What does it say about humans and our nature?
- What similarities do you see in these verses with the 10 Commandments (Exodus 20)? What is the result of forsaking God and his commands?

### **GOING DEEPER**

- William Penn said, "With law there is liberty, without it there is chaos." How is it possible to find freedom through the law? What would it be like to live in a world without any laws?
- Read Hebrews 9:14. Have you experienced the cleansing of conscience through the work of Christ? Has it driven you to serve others? Think for a moment about why service is a natural result of our salvation and share how that has looked in your life.

### **PRAYER**

- Romans 10:14 says that no one can believe unless they have heard, and no one can hear unless someone has been sent. Pray for each other that we would live on mission to bring this good news to our Oikos and the world.
