# NOT ONE IOTA... | June 19, 2022

#### SERMON RECAP | Matthew 5:17-20

The Law as it is written stands and will continue to stand, not one iota will be changed. Greatness in the Kingdom is found in teaching and living out the whole Law.

### THE LEAD IN

• Are there sections of Scripture that you have never read or don't often spend time in? Why? Why is it important to know and dwell on the entirety of Scripture?

## **GETTING INTO THE TEXT**

- Read Matthew 5:17-20. Why does Jesus speak so highly of the Law? Why is it still so important?
- The way we hold to and teach the law has eternal implications in the Kingdom of Heaven. How does this give value to the law and why will it matter in Heaven?

### **GOING DEEPER**

- Across the world, we hear stories of churches going through "mission creep" or a steady slide away from the truth of Scripture and the gospel. Why do you think this is happening? How do we keep this from happening to ourselves and our church?
- God has many character qualities (ex. love, justice, compassion, holiness). Each of his characteristics are equally important. Why is this the case? Why can we not elevate certain qualities over others?

#### PRAYER

• Praise God together for his character revealed through the law that holds up for eternity past and eternity future. Pray also for each other to resist societal pushes to compromise our message.
