

# LIFE GROUP LAUNCH CURRICULUM

## WEEK 3 DISCUSSION GUIDE

**OIKOS**

### VIDEO RECAP

Your Oikos is the 8-15 people that God has sovereignly placed in your sphere of influence to share the gospel with and make disciples.

### THE LEAD IN

Have you ever made a list of who is in your Oikos? If you have, who are they and what is their relationship with you? If you haven't, spend a few minutes to identify who they are.

### GETTING INTO THE TEXT

Read the following passages (and the context around them) and look for the words "family" or "house/household". In Greek, those words are Oikos. Share observations of how you see the gospel spreading through Oikos. (Mark 2:15, 5:19; Luke 19:9; John 5:43; Acts 11:14)

### GOING DEEPER

The gospel spreads through relationships. Have you seen that in your own life as you've interacted with those who don't know Christ? How so?

How do you engage with the various people in your Oikos? What shared interests do you have with them? How could you leverage opportunities in those relationships to have gospel conversations?

How do you/can you make disciples of those in your Oikos, both saved and unsaved?

### PRAYER

After you have identified your Oikos, pray for them! Begin tonight and continue to do so regularly.
