## WEEK 7 DISCUSSION GUIDE

# PROCLAIM JESUS

## VIDEO RECAP

Our final Mark of a Disciple is “Proclaim Jesus.” This mark ties in tightly with our mission statement, Oikos, and the three previous marks of a disciple.

## THE LEAD IN

What do you “proclaim”? If a stranger spent one day with you, what would they walk away thinking are the most important things in your life?

## GETTING INTO THE TEXT

Read Acts 5:25-42. The apostles were arresting for preaching Jesus. When they continued to do so in jail and in public, they were brought before the authorities, where they took that opportunity to share the gospel! After being flogged, they were right back to it in public. Why could they not stop proclaiming Jesus?

Read 2 Corinthians 4:5-7. When we proclaim Jesus what are we preaching? Why is it described as treasure?

## GOING DEEPER

In your Oikos, what would it mean to proclaim Jesus, both to those who are saved and those who are not?

We were given several reasons as to why we proclaim Jesus. All of them are key. Which one(s) really resonated with you?

## PRAYER

Pray for boldness to proclaim Jesus in your Oikos and to those Christ brings into your life!
