## THE DAYS OF NOAH | OCTOBER 30, 2022

### DISCUSSION VIDEO | Matthew 24:36

This week's discussion guide is a bit different. Instead of having a discussion on the sermon, we'll be going deeper into a tricky verse that Tom didn't have time to address on Sunday. To begin, watch the provided video by scanning the QR code or [clicking here](#) if viewing digitally.

### GETTING INTO THE TEXT

- Read Matthew 24:36. Chris and Becky talked about looking at difficult texts like this in relation to the whole of Scripture. How could looking at this verse on its own, without context, cause confusion or doubt for someone?
- Philippians 2:6-8 gives insight into Christ's humility while on earth. How does this passage help us to understand Matthew 24:36?

### GOING DEEPER

- The theological term for Jesus being fully God and fully man at the same time is called the hypostatic union. Think through what you know of Jesus' time on earth. In what ways do we see him as fully God? How about ways we see him as a man?
- There is a reason God hasn't told us when he is coming back. But he has given us power through the Spirit to be on mission until he does come. What is our mission? How can you as a Life Group together be on mission while we wait?

### PRAYER

- Praise God for his sovereignty and pray that we would model submission and humility to the Father just like Jesus did while he was here on earth.
