Meet Lancaster Evangelical Free Church

LEFC is a multi-generational regional church located just outside the borough of Lititz. People of all ages come together from various communities in the northern Lancaster County area to worship and serve the King of Kings!

We recently celebrated two milestones, the dedication of expanded ministry space and the

40th anniversary of our church. LEFC began with a small group of people who believed the area needed an Evangelical Free Church, a church that would hold the Word of God in high regard and be a grace-filled place where people could “come as you are.” We have grown to a body of about 1,500 people who love God deeply, study his word, and share not only the gospel but our lives with the people that make up our relational worlds, a group the ancient greeks identified by the word oikos. The very words of Christ are what unite and mobilize us in our mission to “make disciples of Jesus Christ.” We do this by loving God, loving people, living truth and proclaiming Jesus.

The Lord has blessed us with stable leadership and a growing staff team with low turnover. With the completion of our building expansion, titled Creating Space / Expecting Harvest, our focus is on the harvest of new believers that God will bring. We joyfully anticipate all God will do in and through us for the advancement of the gospel for his glory!

Welcome to Lititz

With a well-preserved small-town culture, Lititz is a treasure spot in the heart of Lancaster County. Boasting a vibrant downtown, Main and Broad Street are lined with unique shops a short walking distance away from beautiful Lititz Springs Park. Lititz offers trendy eateries, pastry shops, a coffee roaster, award winning pubs and more.

Lititz hosts the longest continuously running fourth of July celebration in America, a massive craft fair, the chocolate walk, and countless other events and celebrations throughout the year.

Surrounded by rolling farmland and rooted in rich heritage, it has a steady heartbeat of tradition and history. This blending of old and new is what sets it apart from other small-town destinations; with residents and visitors alike relishing in its timeless and vibrant ambiance. It's no wonder Lititz was voted America's Coolest Small Town.
