1. What are the character qualities we should be looking for in friends who could partner with us, spiritually? Are there any other specific qualities you feel you need in a deeper friendship?
2. Discuss the impact a good spiritual friend had in your life. If you haven't had one recently, talk about why that is.
3. Who, in your *Oikos*, has the spiritual qualities of someone who could partner with you in your vision/walk with God? What would it take to build a relationship with such a person?
4. Have a conversation about some of the *rewards and risks* involved in building and maintaining great spiritual friendships.
5. The closer we become in relationship, the more we see others' flaws. How does such healthy transparency affect relationships? How can this be a very positive thing?
