Prayer defined: Conversation between God and man.

1. How does God's vision for the world affect our lives today? How could this vision become a part of a contemporary discussion about events happening in Israel?
2. What is God's vision for your life? Has it changed recently? How does God's will for your life differ from his vision for your life, or are they the same?
3. How could your Life Group pray more specifically for God's vision for the world? How could they pray more specifically for the vision God has given you for your life?
4. How could we more clearly and effectively pray for those in our *Oikos* with respect for God's vision for the world and for them? What difference could this make? Fill in or update your list of *Oikos* and continue to pray specifically for them.
